

Dear friends,

As you have noticed, Thai Plum Village Sangha is going to organize an online retreat that starts from May 1 to 5, 2021. English is the main language of the retreat. This is an opportunity for you to meet with brothers and sisters after a long time; especially, this will be a special time that you practice and feel the atmosphere of the retreat right at home.

The link <http://bit.ly/2021HealingOurselves> provides all retreat contents and registration instructions. Please read the information carefully to help you fully enjoy the retreat at home.

This is the first time that Thai Plum Village Sangha organize an online retreat; therefore, please read the guidelines carefully. If we have any mistakes, please kindly support us by sending an email to the registration team at tpvretreats@thaipumvillage.org

We look forward to welcoming you to this special event.

Thank you!
